Hello Richard and Tim,
Firstly, I apologise for the late email. Following on from the meeting we had with councillors on 6th June, and taking into account comments made, I want to update the Trusts position.

1. Having spoken with our team, we agree that the Trust will fund our legal costs for the RC hearing. (These could be between \$50,000 and \$80,000.)
2. This is providing that the TDC funds all the remaining costs for the hearing including the existing invoice 189895, which we have received of \$46,756.50 which relates to work done on the consenting process to date, and any other reports which the consenting team require.

SUGGESTED AMENDMENT ; TDC approves advancing more funding to include those costs incurred by council staff to contribute to and including the Resource Consent Hearings costs associated with the Mapua Boat Ramp Resource consent Application. All legal costs incurred by the Trust will be met by the Mapua Community Boat Ramp Trust.

Staff have estimated the hearing costs lie between \$150,000 and \$261,560. (This does not include that invoice of \$46k) and a deposit is required prior to commencing hearing procedures. The trust has commenced a process to communicate with objectors.

Are you able to add this to your list of options for the councillors?

Thanks,

good afternoon **Section**

As requested please find attached the cost estimate to proceed with a hearing for this resource consent application.

To proceed with a hearing Council does require a deposit of \$160 000 (reflecting the 'low estimate) this covers for instance reporting planner and specialist time in preparing their reports and tech memos review of evidence the arrangement and management of the hearing process and evidence exchange timetable and the cost of decision makers who have to prepare for and attend the hearing visit the site deliberate and write their decision.

If you confirm you wish to go ahead I'll get the invoice raised. Please note that we cannot make formal arrangements for the hearing until the deposit is paid (see section 36AAB of the RMA) Kind regards, Blair

Blair Telford
