

Issue/ Opportunity

Engagement Session

A bridge would jepodise the natural nature - birdlife and nesting wildness	2-Sep
Please open up Dawson Road the whole length	2-Sep
But sewage system but no bridge	2-Sep
Easy and safe access for patients to the Māpua health centre, parking outside and disability safe	2-Sep
No more streetlights - protect the night sky	2-Sep
Poor drainage behind sea wall	2-Sep
parking for sports grounds - 70 odd	2-Sep
large coach area near the wharf	2-Sep
safe access for emergency services	2-Sep
hurry up with new boat ramps	2-Sep
Invest in defending the coastline	2-Sep
Charged parking at Kite park	2-Sep
Sort parking out on Iwa Street - residents have difficulty pulling caravans out	2-Sep
yes to new boat ramp at WFP	2-Sep
Need new toliets near playground on Aranui Road	2-Sep
QEII land is best location for boat ramp	2-Sep
No more subdivisions - infrastructure way behind	2-Sep
Cost of new water and sewage could go towards a new bridge across to Rabbit Island. This would be a great	2-Sep
Bridge Please	2-Sep
No solid bridge between Māpua and Rabbit Island	2-Sep
Discontinue present boat ramp - better near Grossi Point	2-Sep
yes to boat ramp	2-Sep
Boat ramp location on Rabbit Island	2-Sep
upgrade sewage so that it is not necessary to pump raw sewerage into estuary	2-Sep
No boat ramp - keep space for families	2-Sep
Keep Tahi Street looking somewhat rough and ready	2-Sep
More street lights on Tahi Street	2-Sep
Keep village feel and culture	2-Sep
well designed childrens play equipment at waterfront park	2-Sep
Better infrastructure needed eg: parking, wider road	2-Sep
Need parking for business land, need to be able to walk from a car park	2-Sep
Provide more parking spaces.	2-Sep

Don't provide more parking spaces	2-Sep
make one side parking so road not to narrow	2-Sep
Connect a new footpath from Aranui Road up to Higgs Road	2-Sep
Add things to activate Aranui park as more of a destination. Consider installing a play ground, or BBQs or sir LTP	
The deck behind the Mapua Hall needs urgent replacement. It has been qualified as dangerous by a qualifie LTP	
Need a plan change (and related funding) to allow for more variety of housing (incl smaller housing types) a LTP	
better spot for a boat ramp	
Council and boat club should (re)collaborate with current landowner to explore this potential - Leisure	
park	LTP
could the basketball half court be upgraded to resolve flooding issues and have a better quality backboard	LTP
2 langford drive - Have a fun emercive area for families to linger and play here.	LTP
Carparking for the sports ground	LTP

Issue/ Opportunity

Engagement Session

Provide smaller housing choices - incentivise	2-Sep
Use church carparking area for parking	2-Sep
Create small business hub	2-Sep
Children need open areas for play and recreation	2-Sep
Skate park at Waterfront park	2-Sep
Police Station and Police stationed in Māpua	2-Sep
Medical Centre at ex-fabric shop off Aranui Road	2-Sep
We don't want a supermarket	2-Sep
Supermarket - pac n save	2-Sep
Waterfront Park - anything for families	2-Sep
No buildings on waterfront park	2-Sep
Medical centre	2-Sep
Smaller village shops	2-Sep
Maintain the Kite Park as open space	2-Sep
Playground at foreshore	2-Sep
Waterfront Park - kids play equipment	2-Sep
Small houses in groups with group facilities	2-Sep
Retirement village in village between Higgs Road and Aranui Road	2-Sep
No multi storey buildings	2-Sep
Seating and shades around sports ground/ Skate park	2-Sep
Stafford Drive - industrial land possible location of fire station	2-Sep
Alternative housing design - Nelson Tasman 2050	2-Sep
Netball/ basketball court	2-Sep
Relocate school to Seaton Valley Wetland - use school site for commercial	2-Sep
Grossi Point - Swim, kayak and SUP area - pedestrian only	2-Sep
Putting subdivision on rural land is putting more emission in air	2-Sep
Affordable and diversity of housing types	2-Sep
Grossi Point - encourage for swimming, kayaking - no motorboats	2-Sep
Move medical centre to ex-fabric shop on Aranui Road	2-Sep
Co-working space at waterfront on business land	2-Sep
A design guide for sustainable housing builds	2-Sep
Clusters of 6-7 storey homes/ 3-4 apartments per level within delegated areas	2-Sep

Have a best village competition - clear up Grossi Point	2-Sep
new housing to have water collected in tanks	2-Sep
Need an ambulance hub like lower queen street	2-Sep
Move firestation to more appropriate area	2-Sep
no deliberate social housing	2-Sep
Wading pool for younger kids	2-Sep
Basketball court for older kids	2-Sep
Rezone corner of Seaton Valley Road and Māpua Drive to open space to protect stormwater	2-Sep
no further intensification of housing in mapua village area	2-Sep
Social seating at Waterfront park	2-Sep
Smaller 2 bed housing in the village	2-Sep
Smaller 2 bed housing in village - townhouses	2-Sep
Increase smaller residential options for old residents to remain	2-Sep
Basketball /netball/ volleyball courts	2-Sep
Use council owned land for open space and parking	2-Sep
Don't over develop grossi point	2-Sep
Show iwi significance of Grossi Point	2-Sep
Grossi Point is of high cultural significance to all kiwis	2-Sep
Visually identify gateway to Māpua use natives to encourage birds	2-Sep
Call it 'growth' rather than 'placemaking'	2-Sep
Waterfront area is not being used to its potential	2-Sep
Provide for family picnics at waterfront	2-Sep
Allow residents to work from home and run their business from residential properties	2-Sep
Māpua camping ground as a open space possibility	2-Sep
Environmental restoration project - mapua camping ground	2-Sep
A multi-use facility	2-Sep
Exercise area Seaton Valley and BBQs	2-Sep
No development Seaton Valley Road - too many cars	2-Sep
Keep section sizes 500m2	2-Sep
Allow tiny homes	2-Sep
Allow smaller section sizes	2-Sep
Grossi Point and Ruby Bay - Possible sports fields	2-Sep
Camping ground brought by Council include pathways, nature restoration. Revenue generating café and	2-Sep

Consider transferring 61 Māpua Drive to road reserve for FENZ and doing a land swap.	LTP
Aquire leisure park for public ownership - mass planting environmental restoration	LTP
Build a coworking space. There appears to be demand for such a facility down near the wharf.	LTP
Shopping center should be revitalized, ideally rebuild allowing for mixed use	LTP
21 and 16 Aranui Road are great locations for mixed use	LTP
The night sky is amazing in Mapua. I worry each time they add new street lights that this will change and we'll no long be able to see the detail we can now.	LTP
62 Aranui Road - Space for new business to move into the community.	LTP
medium density housing between Higgs and Aranui close to ammenities and apartments complete with	LTP
More activities for our teenagers , proper basket ball court ..	LTP
Grossi Point picnicking, rather than boat parking	LTP
Supporting the Mapua wharf and its historic buildings as a community and visitor focal point	LTP

Issue/ Opportunity

Outcomes of masterplan need to minimise carbon footprint

Engagement Session

2 Sept - Email

Issue/ Opportunity

Engagement Session

Walkway extension along estuary edge to QEII Land	2-Sep
Public access to all land around the coast	2-Sep
Educate seniors on ebike safety	2-Sep
Boardwalk to connect Toru Street with Moreland Place Reserve	2-Sep
Establish walking and cycling connections - Old Mill Walkway and create another access to the seawall	2-Sep
Congestion - reduce traffic through town	2-Sep
Roundabout at school corner	2-Sep
Better crossing to fruit and vege shop from school	2-Sep
No to Streets for People	2-Sep
Intersection Aranui Road - no crossing near school safety issues	2-Sep
Need more parking spaces on Māpua as parking being taken away with Streets for People	2-Sep
Create more walking spaces	2-Sep
Lower the speed through the village before spending money on Streets for People	2-Sep
Off road parking at wharf now and future	2-Sep
Educate kids re: Safety on scooters etc	2-Sep
More scenic reserves - Pinehill - McKee. Cycleway on Pinehill improved	2-Sep
Coastal Cycleway - Aporo to Stafford Drive	2-Sep
Is coastal walkway from grossi point to richmond still on the agenda	2-Sep
lots more parking needs sports ground and hall	2-Sep
cycle and walkway to all coast	2-Sep
Walkway from leisure park to ruby bay	2-Sep
improved access to rabbit island but not by bridge as this will limit channel - public funded ferry	2-Sep
safer access to richmond ie: alternative to highway	2-Sep
Cycle bridge to rabbit island with sewer clipped underneath	2-Sep
walking access to Māpua Drive from subdivision	2-Sep
Provide shuttle/ EV/ cycles to wharf	2-Sep
Improve walking and cycling connections along Seaton Valley Stream and not on Aranui Road	2-Sep
Return Aranui road to vehicle movement and parking	2-Sep
improve walking and cycling on Aranui Road for kids going to school	2-Sep
Better planned offroad cycleway paths	2-Sep
Get the cycleway away from Aranui Road	2-Sep
No cycleway on roads	2-Sep

Provide offroad links within subdivision plans	2-Sep
Continue the walkway from Grossi Point to Higgs Reserve	2-Sep
Creat a board walk around wharf buildings	2-Sep
Leave Māpua Domain alone	2-Sep
park and ride reduce traffic at wharf area	2-Sep
Improve walking and Cycling connectivity along seaton valley stream from Māpua School to Toru Street and not on Aranui Road	2-Sep
More parking at bottom of Aranui Road and playground area.	2-Sep
Repurpose on-street parking to being a footpath from 23 Higgs Rd down to Aranui Drive. This will improve walkability for people heading down LTP	
The Langford drive walkway becomes muddy and difficult to walk through during winter. Upgrade the path.	LTP
There is a thin corridor publicly owned land at 130 Aranui Road. Use it to establish walking and & cycling connection around the back of Mapua	LTP
Connect Moreland Reserve to Mapua Causeway by a boardwalk or similar. This will help connect missing links to create a great walking & cyclir	LTP
Complete a footpath link outside 125 Mapua Drive. Currently pedestrians have to cross the road and then back again to continue down the roa	LTP
People sometimes have to wait a while here to cross the road. Consider adding a pedestrian crossing. Particularly useful for kids getting to schc	LTP
Need cycle/walking path connecting Stafford Drive to causeway at estuary	LTP
NO NOT extend Jessi Street to Aranui road for cars. Only for walking and cycling	LTP
Popular Great Taste Trail cycleway to have a better crossing over Stafford Drive from Pinehill Road so it's safe to navigate for school age to acti	LTP
Pedestrian markings from the Library to the opposite side of the road	LTP

Issue/ Opportunity

Engagement Session

Bylaw against cats	2-Sep
Seaton valley flats/ Wetland area will be subject to liquidfaction if filled	2-Sep
Less housing in the flooding areas	2-Sep
Keep peninsula green - already QEII	2-Sep
More green spaces and around subdivision	2-Sep
Green spaces protected	2-Sep
Family friendly greenspace	2-Sep
Protect all green spaces	2-Sep
More planting the corner of Seaton Valley Road and Māpua Drive	2-Sep
Keep all green spaces owned by TDC	2-Sep
Proposed new wetland, QEII land off Aranui Road	2-Sep
Need to protect bird habitat	2-Sep
Preserve wetland areas	2-Sep
Make all of valley into a wetland	2-Sep
Retain and enhance existing wetland	2-Sep
protect and enhance habitat for wading birds at Seaton Valley Stream	2-Sep
Cat and Dog restrictions for new subdivisions	2-Sep
Communtiy restoration project at Seaton Valley Stream	2-Sep
Wetland - 18 Stafford Drive	
Need to secure space for the reinstatement of the wetland that their once was and funding to (help) this action	LTP
Ecological buffers along the edges of the Seaton Valley Stream and Waimea Estuary	LTP

Issue/ Opportunity

Cultural Identify to include both Eurpeon and iwi

Engagement Session

2-Sep

PRINCIPLES	FEEDBACK 2 Sep - Sheet comments
Principle 1 - Cultural Signf	Both European and iwi - not just iwi both
Principle 2 - Character	Character & small village feel and layout. Māpua not a town
Principle 3 - Māpua wharf	
Principle 4 - Stormwater runoff	
Principle 5 - ecological values	Very important
Principle 6 - open spaces	
Principle 7 - natural hazards	
Principle 8 - transport	
Principle 9 - resilient infrastructure	
Principle 10 - assets
